ABOUT ESCOCHECKS PHILIPPINES

Escocochecks Philippines Company, Ltd. is a wholly owned subsidiary of Escocochecks Inc. in the USA. Escocochecks Philippines is a business service provider with core competencies in the fields of accounting, bookkeeping, finance, taxation, payroll, and HR, among others. We offer these services to our clients with the aim of being their partners in driving business growth and efficiencies.

ABOUT ESCOCHECKS ACADEMY

Escocochecks Academy is the training arm of the Escocochecks Group of Companies which handles accounting, bookkeeping, payroll, taxes & human resources functions for various businesses in Los Angeles, Las Vegas and Manila. The academy is also an accredited continuing professional development (CPD) provider under the Professional Regulation Commission (PRC) in the Philippines.

Currently, it is working on its accreditation with the Internal Revenue Service (IRS) and California Tax Education Council in the U.S.

Core to the academy's course offerings are continuing development programs which could help entrepreneurs and professionals manage their business and career opportunities better. We also offer introductory courses on how to use QuickBooks which is specially designed for SMEs who want to manage their finances on an integrated platform.
